Independent Auditors' Report

To the Board of Directors and Members
Heritage Place Homeowner's Association

We have audited the accompanying balance sheet of Heritage Place Homeowner's Association as of December 31, 2009, and the related statements of revenues and expenditures and changes in fund balances and of cash flows for the year then ended. These financial statements are the responsibility of the Association's Board of Directors. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Heritage Place Homeowner's Association as of December 31, 2009, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

**Heritage Place Homeowner's Association
Notes to Financial Statements
December 31, 2009**

NOTE 1. ORGANIZATION

Heritage Place Homeowners Association ("The Association") is a residential management association incorporated on October 22, 1971 as a Colorado nonprofit corporation. The Association was formed to maintain and preserve the common property on behalf of its members. The Association is located in Denver, Colorado and consists of the owners of 446 residences. The Members elect the Association's Board of Directors. The Board volunteers its time to manage the affairs of the Association.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements and the related income tax returns have been prepared on the accrual basis.

FUND ACCOUNTING

The accounts of the Association are maintained in accordance with fund accounting whereby resources are classified for reporting purposes into funds with specified activities or purposes. The Association's two funds are operating and reserve. The operating fund is used to account for the general operations of the Association. The reserve fund is used to account for money set aside and related expenditures for major repairs and replacements.

DELINQUENT ASSESSMENTS

The Association's policy is to enforce collection of assessments by retaining legal counsel and by placing liens on the properties of delinquent members.

COMMON PROPERTY

Consistent with preferable accounting for residential associations the Association's real property and common areas are not capitalized in these financial statements. That property is commonly owned by the resident-owners, cannot be detached from the development and sold, and is not used by the Association to generate cash.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses. Such estimates can also affect the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Heritage Place Homeowner's Association
Notes to Financial Statements
December 31, 2009**

NOTE 3. ASSESSMENTS

Assessments are determined by the Board of Directors upon approval of the annual budget and are intended to meet both the normal operating costs of the Association and the costs of estimated future major repairs or capital improvements. Assessments to homeowners were \$298.54 for 2008 and \$307.19 for 2009. Assessments for the period included amounts transferred to the reserve fund as discussed in Note 4 below. The Association may levy special assessments to cover costs as described in the Association's governing documents.

NOTE 4. RESERVE FUND - FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents require that a reserve fund be accumulated for the future repair and replacement of the major components of the Association's common property. The Association's reserve study is a plan for the accumulation and disposition of reserve fund resources. The study provides estimates of the remaining useful lives of the components of the Association's common property. The study also provides estimates of annual additions to the reserve fund and of the periodic costs to repair and replace the common property. The Association's reserve study can be viewed by going to www.HeritagePlaceHOA.com.

The Association calculated a reserve fund equity balance of \$94,627 as of December 31, 2009 utilizing the formula: total cash less prepaid assessments received. The difference between that calculated equity amount and the cash in the reserve fund is \$5,147 and resulted in the interfund balance as of December 31, 2009. The Association allocated \$32,919 of assessment revenues to the reserve fund during the two years ended December 31, 2009. Future allocations of assessment revenues to the reserve fund may vary from the amounts detailed in the reserve study. Further, the timing and amount of actual reserve fund expenditures may vary from the reserve study's estimates. These variations may be material. Therefore, the reserve fund may not be adequate to meet the costs of all future major repairs and replacements. If additional amounts are needed, the Association may increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available. Any of these steps, or a combination of these steps, may be required to meet the Association's future repair and replacement needs.

NOTE 5. FEDERAL AND STATE CORPORATE INCOME TAXES

The Association must file annual federal and Colorado income tax returns. The Association files its federal income tax return as a homeowners' association (Form 1120-H) in accordance with Internal Revenue Code Section 528. Under Section 528 the Association is not taxed on assessment revenues or on other income derived from members and used to serve the Association's exempt purposes. Those exempt purposes generally include the maintenance, management and care of Association property. However, under Section 528 certain income, such as interest, is deemed to be related to nonexempt purposes. Nonexempt income, net of expenses allocable to that income, is taxable for both federal and Colorado tax purposes. The Association had net taxable income for 2008 which was taxed at a 30% rate on the federal return and at a 4.63% rate on the Colorado return. The Association's federal income taxes for 2008 were \$356; Colorado income taxes were \$58. The Association had no net taxable income for 2009.

April 20, 2010

Dear Board and Members,

We recently completed our audit of the Association's financial statements for the two year period ended December 31, 2009. During our procedures we noted the following matters to bring to the attention of the Board and Members.

Books and Records

The books and records were in good condition. For the two years ended December 31, 2009 all of the adjusting entries were standard audit adjustments. The Board and Members use the monthly statements for analysis and decision-making. When the books are in good condition (as was the case here) the Board and Members have a very good ongoing basis for their decisions and analysis.

Outstanding Checks

The Association's December 31, 2009 reconciliation for the Compass Bank checking account included an outstanding check for \$35.00. That check was dated August 19, 2009. If it is in the current reconciliation, it should be reviewed, voided, and if appropriate, reissued.

This letter is intended solely for the use of the Board and Members of the Association to assist in management and is not to be used by third parties for any other purposes. We considered the foregoing in our procedures, and this report does not affect the report on the financial statements. We would be pleased to discuss the above paragraphs with the Board, and to answer any other questions concerning the financial statements.

Sincerely,

Weidner & Associates, P.C.

Dear Board and Members,

Enclosed are three copies of the Association's audited financial statements for the two year period ended December 31, 2009 (two bound copies and an unbound copy). The unbound copy will be useful if you wish to reproduce the report. Enclosed with each report is a copy of our letter of comments.

If the Association or its agent reproduces these financial statements (in hardcopy or electronically) we request that all pages of the financial statements, including our report on the statements and the footnotes, be included in such reproduction. Readers of the financial statements are better informed when they are provided with all of the pages of the financial statements. Our letter of comments is not part of the financial statements and there is no need to include that letter in such reproduction.

Sincerely,

Weidner & Associates, P.C.
