

**HERITAGE PLACE HOMEOWNERS ASSOCIATION
REVISED COLLECTION POLICY AND PROCEDURE**

Effective Date: January 1, 2014

The Association adopts the following revised policy and procedures for collection of assessments, which supersedes Paragraph 1 of the Policies and Procedures effective January 1, 2012.

1. Due Dates, Late Charges, and Interest.

A. Assessment Due Dates.

- i. Annual Assessments are due and payable on the 1st day of January in each calendar year.
- ii. Special Assessments are due and payable on the date set forth in the applicable Notice of Special Assessment.

B. Delinquent Payments. Any payments owed to the Association under the Governing Documents or these Policies, including but not limited to, Annual Assessments, Special assessments, Late Charges, Returned Check Fees and costs, any costs and Interest, are delinquent on the first day following the date on which they were due. Any Late Charges, Interest, Returned Check Fees and costs, or other costs and expenses which may be charged to a Member pursuant to these Collection Policies are due and payable immediately, without notice or demand, on the date on which they are incurred or charged, as the case may be.

C. Late Charge. If the Annual Assessment is not received by the Association on or before January 31st of the then-current calendar year, a late charge of \$25 shall be assessed monthly commencing on January 31st and shall continue to accrue during each month of such calendar year until paid in full.

D. Interest. The Association shall charge interest ("Interest") at the rate of 8% per annum (or the highest rate of interest permissible on FHA loans at the time of the delinquency, whichever is less) on the outstanding balance of Delinquent Payment(s) owed by any, commencing on the 31st day of January of the then-current calendar year, and continuing until said balance is paid in full.

E. Administrative Expenses. Charges imposed by the Association's management agent for delinquent accounts will be the obligation of the Owner.

2. Return Check Charges.

A. If any check or other instrument payable to or for the benefit of the Association is not honored by the bank or is returned by the bank for any reason, including, but not limited to insufficient funds, the Owner is liable to the Association for one of the following amounts, at the option of the Association:

(i) An amount equal to the face amount of the check, draft, or money order and a return check charge of \$20.00 **or an amount equal to the actual charges incurred by the Association levied by the party returning the check, whichever is greater;** or

(ii) If notice has been sent as provided in C.R.S. § 13-21-109 and the total amount due as set forth in the notice is not paid within 15 days after such notice is given, the person issuing the check, draft or money order will be liable to the Association for collection for three times the face amount of the check, but not less than \$100.00.

B. Any returned check will cause an account to be past due if full payment of the monthly installment of the annual assessment or of any other charge is delinquent.

C. If two or more of an Owner's checks are returned unpaid by the bank within any fiscal year, the Association may require that all of the Owner's future payments, for a period of one year, be made by certified check or money order.

3. Attorney Fees and Collection Costs. The Association will be entitled to recover its reasonable attorney fees and collection costs incurred in the collection of assessments or other charges due the Association from a delinquent Owner pursuant to the terms of the Declaration and Colorado law. Attorney fees incurred by the Association will be considered part of the assessments and will be due and payable immediately when incurred, upon demand.

4. Application of Payments. Any payments made by, or on behalf of an Owner, to the Association shall be applied in the following manner:

- i. Attorneys fees and costs incurred by the Association for which the Owner is responsible.
- ii. Interest which has accrued on Delinquent Payments;
- iii. Late Charges and any outstanding Fees (i.e. Returned Check Fees, etc.);
- iv. Past Due Special Assessments;
- v. Past Due Assessments;
- vi. Current Special Assessments;
- vii. Current Assessments.

5. Notices. If an account is delinquent at least 30 days, but before the Association turns over a delinquent account of an Owner to a collection agency or refers it to an attorney for legal action, the Association will send the Owner a notice of delinquency specifying: the total amount due, with an accounting of how the total was determined; whether the opportunity to enter into a payment plan exists as provided in this collection policy, and instructions for contacting the Association to enter into a payment plan, if available; the name and contact information for the individual the Owner may contact to request a copy of the Owner's ledger to verify the amount of the debt; and that action is required to cure the delinquency and that failure to do so may result in the Owner's delinquent account being turned over to a collection agency, a lawsuit being filed against the Owner, the filing and foreclosure of a lien against the Owner's property, or other remedies available under Colorado law. The Association may send other notices to the Owner in addition to this notice.

If a lien holder with priority over the Association's lien (i.e., first mortgagee) takes title to a Lot through foreclosure or deed in lieu of foreclosure, the Association may file a lien on the Lot for any delinquent payment without further notice.

6. Payment Plans. The Association will make a good faith effort to coordinate with the Owner to set up a payment plan. An Owner may enter into a payment plan to pay off a deficiency in equal installments over a minimum period of six months or such other period as authorized by the Board of Directors. If the Owner fails to comply with the terms of the payment plan (fails to remit payment of an agreed-upon installment or fails to remain current with regular assessments as they come due during the payment plan term), the Association may pursue legal action. The Association is not obligated to negotiate a payment plan with an Owner who has previously entered into a payment plan pursuant to this policy. Furthermore, the Association is not obligated to offer or negotiate a payment plan with an Owner who does not occupy

the Lot and acquired the Lot because of a default of a security interest encumbering the Lot or a foreclosure of the Association's lien.

All payment plans involving accounts referred to an attorney for collection will be set up and monitored through the attorney in consultation with the President of the Board or other person designated by the Board.

7. Attorney Action. Delinquent accounts will be referred to the attorney for collection on April 1, provided that the Board reserves the right to refer a delinquent account for collection prior to April 1 if the Board determines that doing so is in the best interests of the Association. The attorney shall be authorized to take any and all action necessary to collect the delinquent account, including but not limited to sending a demand letter, filing a lien, pursuing a personal judgment, requesting a receiver to be appointed, and/or foreclosing on the Association's lien.

8. Foreclosure. The purpose of foreclosing is to obtain payment of all assessments owing in situations where either a money judgment lawsuit has been or is likely to be unsuccessful or in other circumstances that may favor such action. ***If the Association forecloses on its lien, the Owner will lose the Owner's Lot, having the same effect as if a first mortgagee institutes a foreclosure action against the property (though the procedure is different).***

The Association will not commence a foreclosure action unless the balance of the assessments and charges secured by its lien (which may include late fees, fines and other charges) equals or exceeds six months of common expense assessments based on the Association's periodic budget. Prior to filing a foreclosure action, the Board will resolve by a recorded vote to authorize the filing of the foreclosure action against the particular Lot, on a specific basis.

9. Notices: Use of Certified Mail/Regular Mail. In the event the Association sends a collection or demand letter or notice to a delinquent Owner by regular mail, the Association may, but is not required to, send an additional copy of that letter or notice by certified mail.

10. Referral of Delinquent Accounts to Attorneys. Upon referral of a delinquent account to the Association's attorneys, the attorneys will take appropriate action to collect the accounts referred. After an account has been referred to the Association's attorney, the account will remain with the attorney until the account is settled, has a zero balance or is written off. The Association's attorney is authorized to take whatever action is necessary, in consultation with the President of the Board of Directors or other person designated by the Board, believed to be in the best interest of the Association, including, but not limited to:

A. Filing a lien against the delinquent Owner's property to provide record notice of the Association's claim against the property, if not already filed;

B. Filing suit against the delinquent Owner for a money judgment. The purpose of obtaining a personal judgment against the Owner is to allow the Association to pursue remedies such as garnishment of the Owner's wages or bank account to collect judgment amounts;

C. Instituting a judicial action of foreclosure on the Association's lien. The Association may choose to foreclose on its lien in lieu of or in addition to suing an Owner for a money judgment. The purpose of foreclosing is to obtain payment of all assessments owing in situations where either a money judgment lawsuit has been or is likely to be unsuccessful or in other circumstances that may favor such action;

D. Filing necessary claims, documents, and motions in Bankruptcy Court to protect the Association's claim; and

E. Filing a court action seeking appointment of a receiver. A receiver is a disinterested person, appointed by the court, who manages rental of the Owner's property, and collects the rents

according to the court's order. The purpose of a receivership for the Association is to obtain payment of current assessments, reduce past due assessments, and prevent waste and deterioration of the property.

Once accounts are turned over to the Association's attorney, Owners will make payment to the Association at the address of the Association's attorney. The Association's attorney will consult with the Association regarding collection procedures and payment arrangements.

11. Notification to and Communication with Owners. After a delinquent account has been referred to the Association's attorney, all communication with the delinquent Owner will be handled through the Association's attorney. Neither the manager, if any, nor any member of the Board of Directors will discuss the collection of the account directly with an Owner after it has been turned over to the Association's attorney unless the attorney is present or has consented to the contact. However, the Association has the option and right to continue to evaluate each delinquency on a case by case basis.

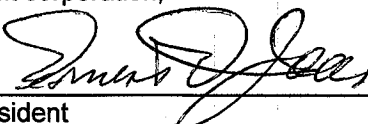

12. Certificate of Status of Assessment/Estoppel Letter. The Association will furnish to an Owner or such Owner's designee upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid assessments currently levied against the Owner's Lot. The statement will be delivered within 14 calendar days after receipt of the request personally or by certified mail, first-class postage prepaid, return receipt requested for a fee. The fee for the statement will be assessed in accordance with the management company's or Association's fee schedule for such statements, which fee will become an assessment. If the Owner's account has been turned over to the Association's attorney, the statement will be handled through the Association's attorney and will include any attorney fees incurred in providing the statement

13. Bankruptcies and Public Trustee Foreclosures. Upon receipt of any notice of a bankruptcy filing by an Owner, or upon receipt of a notice of a foreclosure by any holder of an encumbrance against any Lot within the Association, the Association may advise the Association's attorney of the same and turn the account over to the Association's attorney.

14. Waivers. The Association may alter the time for the filing of lawsuits and liens, or otherwise modify the procedures contained herein, as the Association determines appropriate under the particular circumstances. Any accommodation will be documented in the Association's files with the conditions of relief. Failure of the Association to require strict compliance with this Collection Policy will not be deemed a waiver of the Association's right to require strict compliance and will not be deemed a defense to payment of assessment fees or other charges, late charges, return check charges, attorney fees and/or costs as described and imposed by this Collection Policy.

IN WITNESS WHEREOF, the Board of Directors adopted this Revised Collection Policy and Procedure on NOVEMBER 20TH, 2013.
